

FUTURE PROJECTIONS

w i l l / m i g h t

relive the past

swim to work

fake a feeling |

| feel like a fake

get stuck in a loop |

|run a small business

make false projections

mythologize today

share organs

not reproduce

become background |

| not be we

feel it in the gut

create more manifestos

continue to eat cheetos

reenact reruns

reconsider species

experience extreme precipitation

live in simulation

recreate privacy nostalgically

strike preemptively

accelerate to ludicrous speed

taste color

puke rainbows

use clouds as currency

invest in almanacs

type lots of p's

print crystal skulls

read one news source

only write fiction

collect fabergé guns

rinse the dishes

lose track of time

arrive early
